Suggestions for Improving College Activities and Infrastructure during 2021-22

The IQAC of the college is working in close association with the college administration, faculty and non-teaching staff to achieve new qualitative benchmarks in college functioning. On the basis of the feedback from students, teachers, parents, alumni and other stakeholders and the continuous observation on the part of IQAC, the below given suggestions for the session 2021-22 are hereby put forward for improving college infrastructure and other activities related to teaching-learning process and co-curricular and extra-curricular fields :-

- * The college should continue with all good traditions of the institution in teaching-learning, co-curricular and extra-curricular activities and extension and research initiatives.
- * The college should optimize the use of college resources and infrastructural facilities and manage its internal affairs efficiently.
- * The college administration will ensure the beginning of classes in the newly constructed teaching block of twenty rooms for better availability of teaching space to students.
- * The strict discipline in the college campus will be ensured and the wearing of ribbon I-card should also be ensured for this purpose.
- * The college authorities will ensure strict adherence of related SOPs for restricting COVID-19 spread in the campus.
- * Regular sanitization of college building and adequate availability of soap and sanitizer dispensers will be ensured keeping in mind the corona related pandemic conditions.
- * The arrangements for offline classes will be managed so as to ensure uninterrupted holding of classes without the spread of this pandemic.
- * 24x7 surveillance will be ensured with enhanced CCTV camera availability.
- * More books and e-facilities will be added to college library as per the requirements of students and teachers.
- * All weather path for the approach to Multipurpose Meeting-cum-Convention Area from the outside of college building can be made for better approachability of the area.
- * The restructuring work of students' parking should be completed in the session and it should be made operational for providing better facilities to students.
- * The permanent wall at some demarcated places should be built in place of iron jali fencing for safety of students and for maintaining secure environment in the college campus.
- * A separate Seminar Room should be earmarked for P.G. classes in P.G. Block with related facilities so that students' seminars and other activities should be held in better way.
- * The old water tanks should be replaced where there is a need and adequate water arrangement should be ensured for students and staff.
- * There should be improved arrangement for waste management in accordance with the prevalent practices.

- * The Alumni Association should be motivated to contribute in the college activities by giving more finance and sagacious advice.
- * The lawns lying in between the college building should be made more beautiful by good and innovative landscaping.
- * The college administration should ensure enhanced ICT facility and new classrooms should be turned into smart class rooms.
- * The college teachers should be prompted to make available their lectures and reading material to students online and they should be motivated to make a good balance of both online and offline medium of teaching.
- * The college committees should be more rationalized and broad based and the services of new faculty members should be so channelized as to provide them better job satisfaction and this will ensure efficiency in college functioning.
- * The college administration should maintain cleanliness and hygienic conditions in the class rooms and college campus.
- * The college administration should ensure more e-governance initiatives for efficiency in college functioning.
- * There can be a magazine from Women Cell so as to provide a platform for gender related and other cross cutting issues.
- * There should be lab upgradation in accordance with the present requirements.
- * Different designated cells and subject societies should organize wide range of activities and extension lectures for the benefit of students.
- * The departments who are running P.G. courses should conduct seminars and students related activities for better exposure of students.
- * The college should continue to work with the goal of participative management involving different stakeholders in its functioning.
