

## Memorandum of Understanding

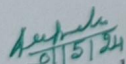

This Memorandum of Understanding (MOU) is entered into between the Department of Computer Science of Govt. PG College, Hisar (hereinafter referred to as "GC, Hisar") and MA Govt. College, Agroha (hereinafter referred to as "GC, Agroha").

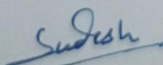

### Purpose:

The purpose of this MOU is to establish a collaboration between GC, Hisar, and GC, Agroha to promote academic cooperation and exchange of knowledge in the field of computer science, including sharing infrastructure resources.

### Terms of Agreement:

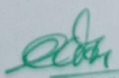

- 1. Infrastructure Sharing:** GC, Hisar agrees to provide GC, Agroha access to its computer labs, research facilities, and software tools for academic purposes. GC, Agroha will also have the opportunity to utilize GC, Hisar's networking infrastructure and technical support services.
- 2. Training and Workshops:** GC, Hisar will organize training sessions and workshops for the faculty and students of GC, Agroha to familiarize them with the infrastructure resources provided by GC, Hisar. This will facilitate a smooth integration of GC, Agroha into the collaborative arrangement.
- 3. Research Collaboration:** GC, Hisar and GC, Agroha agree to collaborate on research projects that leverage the shared infrastructure resources. Both parties will work together to identify research opportunities and utilize the available infrastructure to conduct cutting-edge research in computer science.
- 4. Maintenance and Upkeep:** GC, Agroha agrees to adhere to the rules and regulations set forth by GC, Hisar regarding the usage of infrastructure resources. The former will also be responsible for the proper maintenance and upkeep of the shared infrastructure to ensure its continued functionality.
- 5. Duration of Agreement:** This MOU will come into effect upon signing and will remain in effect for three years. It may be renewed by mutual agreement of both parties.
