Sir/Madam,

Kindly refer to the subject cited above. In this regard, as communicated earlier, the Har-Chhatravratti Portal for submission of applications (fresh and renewal) under Post Matric Scholarship Scheme (for SC and BC students) for the session 2022-23 has already been opened on 07.10.2022. After a time span of more than 3 months, the numbers of applications received are very less as compared to previous years. Therefore, the Processing Centres/Institutes are requested to make well awareness among Institutes' faculty members, students and ask guide the students to submit their application on the portal at the earliest, so that maximum number of eligible students, avail the benefits of the scheme.

Further, the Processing Centres/Institutes are also requested to start the process of verification of applications received being received on the portal, as per guidelines issued from time to time in this regard.

With Regards
